Dear Sir/Madam,

**REFERENCE LETTER FOR MADAM NAOMI NKRUMAH**

I am proud to recommend **Naomi Nkrumah** as a subordinate worker at female Medical ward in the above mentioned facility .In our years of acquaintance, she has been with me in all the ups and downs of my duties.

**Madam Naomi** is a voluntary health care assistant with two years of experience (2021 to July 2023) working with Ghana Health Service; she has always displayed a high degree of integrity, responsibility, and hard working. In addition, she is someone who is serious with her work and a team player. She is client centered and dedicated to her duties. She would be a good asset to your company due to the qualities she possesses.

I am delighted to endorse her for any assistance. If you have any further enquiries about her do not hesitate to contact me.

Yours sincerely,

.....
