Evelyn Mtandwa

Care Support Assistant/ Nurse Aid

Motivated caregiver with varied experience gathered within the UK and in Southern Africa. Exposed to hospital setups and home environments and can offer support to patients with diverse conditions. Offers superior skills in patient needs assessment and healthcare team collaboration. Passionate multi-tasker dedicated to supporting team objectives to facilitate top-quality care. Well-versed in monitoring and noting vital signs, cleaning and sanitizing patient areas and assisting with personal hygiene tasks such as toileting and grooming. Skilled at monitoring ongoing conditions with knowledge of documentation practices. Compassionate nature provides families with peace of mind while offering ambulation and personal assistance to meet diverse service users needs. Currently seeking a role to showcase current skills while further developing my professional journey

◆ WORK EXPERIENCE

Healthcare Assistant Austenwood Nursing Home

07/2023 - Present

Achievements/Tasks

- ◇ Supported service users with everyday tasks within the nursing home to ensure that they are provided with a higher quality of life, whilst reaching working under pressure to reach targets.
- ◇ Accompanying clients to appointments. Providing companionship and emotional support.
- ◇ Adhered to care plans and recorded completed tasks after every visit to ensure their needs were met at a high standard and to allow any incidents to be reported.
- ◇ Preparing healthy meals based on specific dietary needs and personal preferences.
- ◇ Encouraged service users to make their own decisions to promote their independence which can lead to them regaining their confidence and improving their well-being
- ◇ Assisting with cleaning and doing everyday household chores.
- ◇ Monitoring and administering medication. Monitoring physical and mental wellbeing of clients.

Care Support Worker Ambergreen Health and Social Care

05/2023 - 09/2023

Achievements/Tasks

- ◇ Ensure all information regarding service users is kept in strictest confidence and documented accurately on daily report sheets.
- ◇ Complete accurately all relevant documentation e.g. food and fluid charts, turning charts, property forms, life stories etc.
- ◇ Assist service users to toilet/commodes and in the use of incontinence pads.
- ◇ Report all accidents or untoward events immediately to the line manager. Safeguarding service users against abuse risks.
- ◇ Help service users with mobility problems and other physical disabilities. Attend to service users who are confined to bed and help lift and turn these service users using the equipment outlined in their care plan as necessary for their care and comfort.
- ◇ Assist service users who need help with dressing, undressing, personal hygiene, including hair care, nail care and facial care.
