

Hello, my name is Sandra Asanti.

I have Worked in the health care sector as a pharmacy Assistant for 8 years and I did a volunteer work at a hospital as a carer. I believe I have acquired the needed skills to be able to work as a carer. I am empathetic, patient, kind, compassionate, reliable and competent individual who executes every assignment given to her. I am still open to be trained to get more experience and knowledge in this care giving sector.

I will be available to work the hours needed.

Thank you.
